GAMES

MAKE A COOL KAZOO

With a cool kazoo, you can make music without years of practice. All you need for this easy musical activity are the kazoo you make yourselves and a good song to hum. Then it's on to buzzing along with songs of Horrid Henry, or playing in time to the music while rocking around the room like the “Zero Zombies”.

What you'll need:

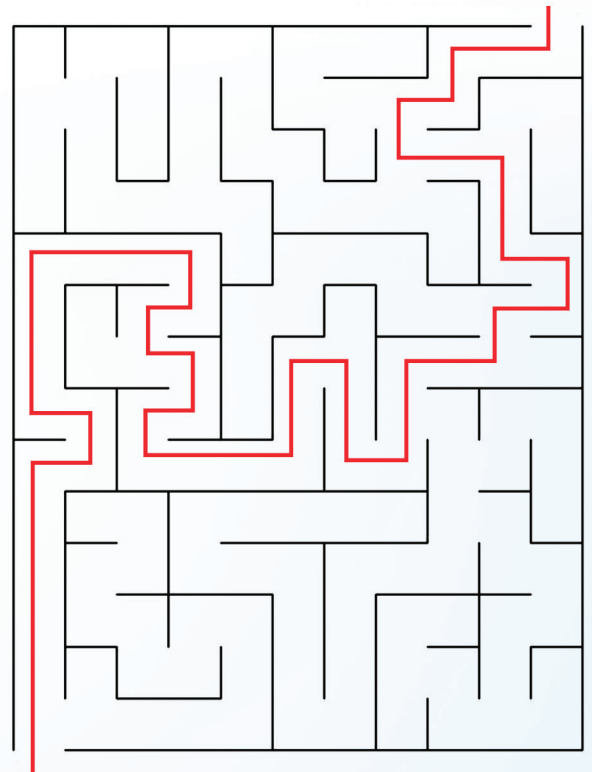

- Paper towel tube
- Markers
- Waxed paper
- Rubber band
- Scissors

Directions:

1. Decorate the paper towel tube with markers
2. Wrap a piece of waxed paper over one end of the tube
3. Secure the waxed paper with a rubber band
4. Carefully cut two holes in the tube, as shown in the illustration
5. Play the kazoo by humming your favorite song into the open end of the tube. For other interesting sounds, make more kazoos with tubes of different diameters, thicknesses and lengths
